Mayor Brad Hawkes: Subdivision Amendment

Mayor Hawkes reported that he has visited with the Hansen Planning Group, who is working on our subdivision amendment. He learned that we have been using the conditional use permits wrong when it comes to approving a building permit on acreage of less than 20 acres. On acreage less than 20 acres we should be rezoning the acreage to RR10, RR5 or RR1. There will be more on this after the subdivision amendment is completed.

Council Member Craig Hawkes: New Employee

Council Member Craig Hawkes is training Gabby Johnson how to read water meters. The

Council approved her as the town's newest employee.

Council Member Craig Hawkes: New Employee

Mayor Brad Hawkes:

- The park sprinkling system has been repaired.
- On the outside southwest corner of the Community Center gym part the bricks are coming away from the building. This area needs to be repaired.

Council Member Rex Nessen:

- He has received bids to replace the top of the bridge located north of Hereford Canyon Bridge from \$18,000.00 to \$26,000.00. After a brief discussion it was decided to install a 3-foot culvert and reset the existing 2-foot culvert instead of recapping the current bridge. The road must be raised to accommodate these culverts.

Council Member Josh Anderson:

- There are voles in the park lawn. What is the best way to get rid of them? Mayor Hawkes suggested getting cubed bait and sticking in the holes.

Council Member Craig Hawkes: Not present.

Council Member Mark Sorensen:

- We need to install different sprinkler heads for the cemetery lawn to make more efficient use of the water.
